

GRANT GLOMSTEAD

7050 Hatchery Rd, Waterford MI, 48327 gglomstead@comcast.net (248)-410-9059

Objective

As a student pursuing a Master's degree at Wayne State University, I plan on obtaining a part time job in the local Detroit area that will accommodate the time requirements of my school schedule. With years of experience in the IT field, and a degree focusing on media and technology from Michigan State, I am looking for a technology related position that will help me learn and grow as a professional.

Education

Wayne State University

42 W Warren Ave, Detroit, MI 48202

Attending as of spring 2018

Pursuing a Masters in Engineering Technology

Michigan State University

East Lansing, Michigan 48824

Graduated in the summer of 2017

Major: Bachelor of Science in Media and Information

Minor: Information and Technology

Work Experience

CAS Technology Department at MSU

03/2015 – 08/2017 - Supervisor – Sam Mills: 517-490-1179

Duties: Installing, maintaining, and fixing a wide array of computers and other technology in the Communication, Arts, Sciences building at Michigan State University, which houses over three thousand machines.

Turning Point Properties
